

To all our wonderful families and sitters,

For an in-person ToddlerTunez session to take place, the following conditions apply:

- *Sitters and all members of their household must not be exhibiting any COVID-19 symptoms (fever, shortness of breath, loss of taste and smell, etc)*
- *All members of the family must not be exhibiting any COVID-19 symptoms (fever, shortness of breath, loss of taste and smell, etc)*
- *The journey to and from the family's home must be manageable for the sitter (public transport should be avoided wherever possible - the sitter should walk/cycle/drive or be picked up by the family to travel to their home)*
- *Neither party should have been in recent close contact with someone who has or is suspected to have COVID-19 (both parties should self-isolate for a week before starting work in this case)*

If any of the above conditions cannot be met, the sitter and/or family need to inform us immediately and this may lead to last-minute session cancellations. We will do our utmost to replace the sitter if all members of your household are in good health or, alternatively, we will arrange an online session at a convenient time for you.

The selected sitter will at all times ensure that:

- They undergo daily temperature checks before each session
- They wash their hands regularly throughout the session
- They sanitise all equipment used
- They stop working immediately if they, any member of their household, or any member of the client's household starts experiencing coronavirus-like symptoms
- They make the session fun (!) by holding most of it in the garden or at a nearby park if possible

If you are interested in an in-person session, please contact Megan at info@toddlertunez.com or call us on 0208 126 5577
